

# *Welcome to the Equestrian Program at Ivey Ranch Park!*

---

Welcome to the Equestrian Program! As an Equestrian Aide you will get to do hands on work with the horses at Ivey Ranch. Equestrian Aides groom horses, muck stalls, maintain tack and exercise horses so people can enjoy therapeutic riding and horse lessons. Experienced volunteers can work as leaders and side walkers in the therapeutic program so special needs riders can improve muscle strength, balance, self-esteem and more. In this position you will make a positive impact on the lives of youth in the community, meet new members of the community and learn new horsemanship skills.

Volunteers are how we are able to provide services to the children of Ivey Ranch. Thank you for your support!
