Cost is \$300 and you can download the application from our website at www.iveyranch.com under "Equine Programs" and "Summer Camp".

We collect old print toners and print cartridges. Bring your donations to either the barn office or daycare.

Ivey Ranch Park

Grant award from the San Diego Board of Supervisors

As you may, or may not, be aware of we have enjoyed a 15+ year relationship with our County's Board of Supervisors and, more specifically, Supervisor, Bill Horn. The Board helped us with seed money when we wanted to start our Equestrian Program back in 2003, grant support when we were required to do California Environmental Quality and National Environmental Policy Act Reports, and matching grant funds when we expanded our equestrian facilities in 2009. The Board has once again provided matching grant funds for us to upgrade our facilities. This Fall you will see a new Tack and Feed Room that is accessible to all program participants, as well as a new Hay Storage Barn that will allow us to bring in larger loads of horse feed so that we can cut our monthly feed costs. We are always trying to do and be better - thanks to the Board for helping us succeed!

Thank you!

Superman Brad!

The store/book guru!

Brad, a Junior (soon Senior!) at High Tech High, North County, chose us for his Junior/Senior Internship requirement. Not only did he dedicate over 160 hours of on-line brilliance, but he single-handedly brought to life the money generating super entity that is the Ivey Ranch Store!
