- Want to keep up on things going on at the ranch while you are away?

Then meet Baby Harlow - our new Public Relations Correspondent at Ivey Ranch. Baby Harlow was created by volunteer/artist Carie Edner and is an adorable rendition of "Full Size Harlow", who so many of you love and interact with when you are here with us. So, since you are unable to be with us in person, we are inviting you to "follow" Baby Harlow on Facebook. Starting tomorrow, Baby Harlow is going to launch her Facebook career and will be reaching out every 2-3 days with interviews, tours, and fun facts - she is even going to be doing different Science, Technology, Engineering, Arts, and Mathematics (STEAM) presentations/activities with the help of volunteers and staff for our on-line learners. If you don't already "Follow" Ivey Ranch on Facebook, now is a great time to click the link above to stay in touch!

## After COVID-19

Like you, we are hopeful that our "Pre-COVID-19" lives will resume sooner than later. Here are some things that we are looking forward to in the not so distant (hopefully) future:

- Summer Horse Camp - Scheduled for June through August - click [here](#) for more information.
- Summer Interns - Scheduled to support Summer Horse Camp - click [here](#) for more information.
- Concert Fundraising Series - Help us man a Beer Garden at the North Island Federal Credit Union Amphitheater and see [great concerts](#) while raising funds for Ivey Ranch.

Thank you!

We greatly appreciate your support and donations during this crazy and unprecedented time. Here are three things you can do to help us right now:

1. Write a really cool review on [Yelp](#) so that the general community can know what great things we do here.
2. Send an item from our [Wish List](#) to a child or horse here at the Ranch.
3. [Sign up](#) to make a \$5, \$10, or \$25 monthly donation. The children, Veterans, and horses will all benefit from your commitment.
