

- In 1981 Ivey Ranch Park Assoc. (IRPA) was founded and incorporated by a group of parents who had a vision of a place that would care for their children with special needs and provide recreational programs for them.
- IRPA's mission is the social interaction of children with and without special needs by providing educational and recreational activities with an emphasis on programs for children with special needs.
- Servicing the North San Diego County areas of Oceanside, Carlsbad, San Marcos, Bonsall, Fallbrook, Camp Pendleton, and Vista.
- IRPA is a 12-acre park that is comprised of childcare and development centers, an equestrian park and therapeutic riding program, a memorial tree program, community garden, in-home respite services, Camp Ivey Summer Camp, an equine facilitated learning program, and *Horses for Heroes*.
