

Physician Annual Update 2024

Date: _____

Dear Physician:

Your patient, _____, has participated in an equestrian activities program at Ivey Ranch Park Equestrian Center in Oceanside, California, and is now due for an update of his/her medical status. Please review the previous medical history and provide an update of the information in the space provided below. Address occurrences over the past year including surgeries, illnesses, hospitalizations, and changes in medications, treatment, weight, behavior, etc. Please indicate current height and weight. For your reference, potential precautions/contraindications are on the back of this page. Please circle conditions that are relevant to your patient and may indicate a precaution or contraindication to riding.

Diagnosis: _____

Height: _____ Weight: _____

Update medical status:

To my knowledge, there is no reason why this individual cannot participate in supervised equestrian activities at Ivey Ranch Park Equestrian Center. However, I understand that the therapeutic riding center will weigh the medical information above against the existing precautions and contraindications. I concur with a review of this individual's abilities/limitations by a licensed/credentialed health professional (e.g. PT, OT, Speech, Psychologist, etc.) in the implementation of an effective equestrian program, if necessary by the center.
