Horse Lease Program 2024

Any Ivey Ranch client who has fifty or more hours of lesson time at Ivey Ranch may be qualified to participate in the partial lease program with one of our gentle lesson horses; not all lesson horses are available for lease. Ivey Ranch administration will review lease applications and respond within 10 working days for horse availability and rider compatibility.

Lease Option & Regulations:

Option:

The partial lease consists of two group lessons per week and one practice/hack ride per week at Ivey Ranch. For an additional fee you may be able to upgrade to private, or semi-private lessons per instructor availability. This lease ($500.00) is on a month-to-month basis and may be terminated by either party with two weeks' written notice. The riding days will be determined in advance and cannot be changed without prior approval. Lease agreements will not be in affect during July and August.

Regulations:
- Only the rider leasing the horse may ride unless authorized by management
- Jumping is not permitted at any time other than during lessons
- Riders under 18 years of age must have a guardian present during non-lesson rides, or prior permission to ride without guardian present
- Proper grooming, warm-up, cool down, and care of horses will be the responsibility of the rider. Rider's neglect or abuse of regulations, or our horses, will forfeit riding privileges without refund.
- All riding must be completed in the month leased, no refunds or make-ups outside the lease month. If a lesson cannot be made-up, it may be substituted with a non-lesson ride after authorization.
- All payments are due the 1st of each month and payable by the 7th regardless of actual lease dates.
