## Summer Preview

There is something special about the coming of summer at Ivey Ranch Park. The ranch is full of energy, activity, and the kind of moments that remind us why this work matters. As the season begins, we're excited to welcome campers, continue our programs, celebrate the people who make this place so special, and create new memories together.

### *A Quick Update From Us*

We are currently transitioning to a new Customer Relationship Management (CRM) system, Bloomerang, to help us better serve our supporters and improve communication moving forward. Future newsletters and emails will be sent through our new system, and we're excited about all the ways it will help us stay connected.

For this edition, the email is coming directly from Adriana - our Public Relations and Development Assistant - while we complete the transition. Thank you so much for your patience and continued support during this next step for Ivey Ranch Park.

## Program Spotlight - Adult Day Program

This month, we're shining a light on our Adult Day Program. This meaningful and supportive program offers adults with disabilities opportunities for growth, independence, and connection. Participants engage in life skills development, vocational support, recreation, outings, and social activities.

Just this month we went hiking in a local slot canyon, to the beach, and to the strawberry fields in Carlsbad where everyone got to pick their own tub of treats!

We are proud of the joy, consistency, and care this program brings to so many lives. We invite you to share this information with families that are looking for a welcoming environment where participants are known, valued, and encouraged every day.

## Smiles for Life Foundation

The Smiles for Life Foundation, in partnership with Coleman Advanced Dentistry in Vista, has been a valued supporter of Ivey Ranch for over two decades!

Through June, you can brighten your smile for a cause. When you schedule a whitening treatment, you will receive a special savings, and **100% of your payment** goes directly to the foundation to benefit children in need - **including Ivey Ranch**. If you've been considering a whiter smile, give Dr. John's fabulous team a call:

# Volunteer of the year

We are proud to celebrate Kim Prince, who was recently honored by the North County Philanthropy Council as Ivey Ranch Park's, Volunteer of the Year.

Kim's outstanding dedication has spanned over 11 years and 1,353 volunteer hours. She serves as a mentor, works in our store, supports our fundraising, assists at orientations, and volunteers every Saturday as a horse leader and side walker. Beyond her many contributions, Kim brings warmth and positivity to everything she does. She is bright, kind, patient, dependable, and incredibly helpful, and we are deeply grateful for the impact she continues to make at Ivey Ranch Park.

# Woman of the year

We are also proud to celebrate our Executive Director, Tonya Danielly, who was recently nominated for the 74<sup>th</sup> Assembly District Woman of the Year for her leadership and dedication to serving others.

Tonya's passion and commitment continue to move Ivey Ranch Park forward every day, and we are thrilled to see her honored for the impact she makes both on and off the ranch.

All Ivey Ranch programming will be closed on Monday, May 25 in recognition of Memorial Day.

You are warmly invited to attend a Memorial Day Ceremony hosted by Escondido Veterans Organizations as seen in the flyer to the right.

Please join your community to remember, give gratitude, and honor those who made the ultimate sacrifice.
