

ADULT DAY PROGRAM

This program is available to the participant through San Diego Regional Center or private pay.

The Adult Day Program is intended to provide a variety of services including functional skills training, vocational exposure and development, and leisure activities. Our fundamental purpose is to enhance independent functioning among the adult consumer. Progression within the program will be determined on an individual basis and will be assessed annually.

Weekly community outings include, but are not limited to the the beach, grocery store, parks, bowling, picnics, farmers market, pool, library, bookstore, museum, aquarium, and craft store. On-site activities include art, gardening, visiting horses, and the community park.
