

# SCHOOL-AGE PROGRAM

The School-Age Program is open to children with special needs ages 4 and enrolled in transitional kindergarten through 22-years-old. The program is rich in experiences, guidance, love, and instruction. After-school care, full-time summer, and school holiday care are available.

The program serves children from local school districts including Oceanside, Vista, San Marcos, Carlsbad, Bonsall, Fallbrook, and Camp Pendleton. Transportation is not included.

Program emphasis: science experiments, arts and crafts, outdoor play, board games, sensory activities.

This program is available to eligible participants through the San Diego Regional Center or through private-pay enrollment.

*I am so thankful for the love and care Ivey Ranch and all the staff, past and present have shown my daughter! Ivey Ranch made it possible for me to work full time and know my child was being cared for. For that you may never know how much impact that has made in our lives after moving here alone post-divorce! I will always carry fond memories and I know Samantha will too. I'm sure she'll want to stop by and check on the place sometime soon. Thanks again for all the care, kindness and great job working with these special kids! Best regards!!*

- Susan E.
