Program Spotlight: Summer Horse Camp

At Ivey Ranch, Summer Horse Camp is one of our most beloved programs. Designed for kids ages 7 to 17, our week-long sessions welcome campers of all abilities, for an immersive, hands-on ranch experience. Each day, campers learn horseback riding, vaulting, ground training, and humane education, learning everything from horse anatomy and feeding to basic veterinary care. This year's camps start next week and are full through August. So, if you have a young horse lover at home, mark your calendar!

Registration for Summer 2027 opens in spring. Visit iveyranch.com to sign up for our newsletter and be the first to know when enrollment opens next year.

Volunteer & Horse Spotlight Island

Foaled in 1998 in Great Britain, Island's racing career included 21 starts and over \$81,000 in earnings. Island had done close to 7,000 hours of work when he retired from mounted lessons in 2023. He was a part of our therapeutic and able bodied lesson programs, continues in our Equine Assisted Learning and Counseling sessions, and has participated in 16 years of summer camps, horse shows, tours, and fundraisers. Even after his retirement, Island continues in our EAL and EAC programs, and he showcases the sensitivity and empathy of the thoroughbred with each interaction—entertaining a client with his goofy antics in one and providing a safe space and listening ear in another. Thank you for your years of hard work, Island!

Teri

A volunteer since 2019, Teri has spent her years at Ivey Ranch helping with lessons, grooming gang, barn buddies, and our shows and other events. No task too big or small, Teri is happy to jump in and help with whatever needs to be done in order to keep things running smoothly. She loves coming to Grooming Gang and seeing all the horses, riders, volunteers and supporters thriving, and has gone above and beyond in support by sponsoring Island. Teri states, "I'm so glad Ivey Ranch is there and always doing great things!" We are happy you're here with us, too!

Summer Intern Program

We are thrilled to welcome back our Summer Intern Program! Our interns are the heart of our summer operations, jumping in to help with camp activities, crafts, riding, and daily ranch chores. Whether they are assisting campers, supporting our instructors, or keeping things running behind the scenes, they bring so much energy and heart to everything they do. A warm welcome to this year's interns as they kick off the season!

Grooming Gang

A huge thank you to our incredible Grooming Gang! These dedicated volunteers show up every Tuesday and Thursday to groom our horses, take them out to play, and keep them loved and cared for. Their consistency and commitment to our herd means the world to us, and we are so grateful for everything they do for Ivey Ranch. Thank you for being a part of our Ivey Ranch family!

Childrens health Foundation

We are excited to share that we have been awarded a grant through Children's Health Foundation to support North County children through Equine Assisted Services. This grant will help provide scholarships for children ages 5-17 facing physical, developmental, or mental health challenges.

Thank you Children's Health Foundation!
